

## Mentoring

**Are you thinking about staying in the Czech Republic after your EVS?**

**Would you like to become a mentor of an EVS volunteer in the Czech Republic?**

✓ **You already know what you needed as a volunteer...**

**Do you want to share your knowledge by being a mentor to somebody else?**

If yes,

visit the webpage <http://www.mladezvakci.cz/evropska-dobrovolna-sluzba/mentoring/>,

and fill in the “I want to be a mentor” questionnaire linked at the page. After your registration your profile will be available in the mentors database of the National Agency. List of mentors will be provided on request to any hosting organisation in the Czech Republic.

To learn more about EVS mentoring, look at the website of the Czech National Agency Youth [www.mladezvakci.cz](http://www.mladezvakci.cz) – there you can find Guide for Mentors “Mentorna” – available only in Czech language.

If you have more questions, do not hesitate to contact us at [mentoring@mladezvakci.cz](mailto:mentoring@mladezvakci.cz).
